## **Mountain Travel with Kids Check List**

At Family Travel Gear, we are a Denver based company and regularly drive through the Rocky Mountains with the kids. Some essentials for traveling through the mountains via car with Kids include the following items, many of which are available for sale at Family Travel Gear. This list is compiled by real professionals in the field including World Travelers, Park Rangers, and Camp Ground Staff. We realize that there are other great products out there that would also help assist parents traveling with youngsters so be sure to submit your comments and product ideas to us at [info@familytravelgear.com](mailto:info@familytravelgear.com). We can then add the items to our check list and share the information with other parents at FamilyTravelGear.com. Just another way we work together helping parents out to make traveling with kids a whole lot easier.
